

## HANDICAPPED

This is the Case with Many Barre People.

Too many Barre citizens are handicapped with a bad back. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest and in the morning is stiff and lame. Plasters and liniments may give relief but cannot reach the cause. To eliminate the pain and aches you must cure the kidneys.

Doan's Kidney Pills cure sick kidneys and cure them permanently. Can you doubt Barre evidence?

Mrs. E. B. Lawrence, box No. 61, R. F. D. No. 2, Barre, Vt., says: "From my experience with Doan's Kidney Pills, I know that they are an effective kidney medicine. Last fall I began to suffer from kidney complaint and as one of my relatives had been cured of this trouble by Doan's Kidney Pills, I decided to follow his example and try them. My back was so lame and painful that I could not do any work that required stooping or lifting. After I had taken the contents of three boxes of Doan's Kidney Pills, I was relieved and again last spring when I used them, they benefited me. I keep Doan's Kidney Pills in the house all the time and whenever an opportunity occurs, I recommend them."

For sale by all dealers. Price 60 cents. Foster-McBarn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

There are the graves of 68 soldiers to be decorated here next Monday. Of these 11 are veterans of the war of 1812 and one of the Spanish-American war; the other were veterans of the late war of the rebellion.

The marshal of the day on Memorial day will be Walter E. Granger; the Williamstown coroner, under the leadership of A. R. House, will perform its duty. E. A. Nutt of Montpelier will deliver the address.

E. W. Thurler, a son of R. A. Thurler, expected home this week on a vacation from study in South Lancaster, Mass., where he has been for a year past. He is to have another year of study there, when he expects to enter the ministry of, we think, the Advent church.

Randall, will furnish vocal music. There will be a solo by Miss Blanche Nixon and children's exercises under the direction of teachers.

She was the mother of the late wife of Rodney Seaver. She was well into the 80's in age and was known as an excellent woman.

Landlord Capt. A. S. Cowles of our Gulf house is making use of printer's ink in metropolitan newspapers, to induce summer visitors to his Gulf house this season. We all want to share the glories of our beautiful summer and autumn scenery with the world at large, and so we open wide our mouths and arms to all such now.

On Memorial day, Monday, May 30, the soldiers' graves in the east and the west hill cemeteries will be decorated in the forenoon. At 12:30 o'clock p. m., a procession will form at the town hall and march to the village cemetery for the decoration of graves there. The singing at this cemetery will be under the direction of James H. Walbridge.

We have just learned of the death of a former townsman, Mrs. Louisa Hatch, widow of the late Aaron Hatch, who recently occurred at the home of her daughter in Proffitt, Ill. She was a daughter of the late Sanford Hatch of our place and was 86 years of age. She had been a great invalid for several years, following a shock. She is said to have been a noble woman.

For the first time in weeks, extending into months, Mrs. Warren S. Cowell was able to visit her home in our village, last Monday. She has been for some time in the hospital at the late of her daughter, Mrs. Ida Covell Martin, where she has been very feeble and confined to the bed much of the time. Her present physician, Dr. Whitaker of Barre, hopes he can now discontinue his visits and that she will ere long be much better and able to return to her own home.

Of course, we are all sorry enough at the prospect of being without an occupant for a longer or shorter time, of our village hotel, the Monument house. But we are glad to say that visitors to our town this season are not likely to go unprovided and unfed. In addition to the home of Mrs. Enoch F. Walker, which we spoke of Saturday, is the excellent home and home of Mrs. Hiram S. Drury, that will be open to the traveling public. Should these prove too small for all who may want to come here, we doubt not more doors would swing open wide.

Pastor William Roberts of our M. E. church announced before an excellent sermon last Sunday morning that at the union service at his church in the evening would be one not often taken into the churches, he thought. He did not say what it would be, but he did want a good audience. The evening service came and with it the text of a much-needed sermon, viz., a clause of the tenth verse of the twenty-third chapter of Jeremiah, "Because of swearing the land mourneth." Among the first things we heard on Monday morning was high praise of this most timely discourse. We were afterwards told that the town superintendent of schools, H. D. Casey, had made a special effort in a talk in one of our village schools, to have the awful and too prevalent habit of swearing, among the pupils of the schools, done away with. All honor to those who thus labor!

At this time, the hearts of many of our citizens will turn with mingled love and sorrow, with high appreciation, admiration and honor, to the unmarked, unknown grave in Virginia, of the late Lieut. W. Henry Martin, son of the late Mr. and Mrs. Chester Martin of our village, who died May 8, 1894, from having been wounded in the battle of the Wilderness, May 5. An effort was made by his father to find his body later, but it proved unavailing. Lieut. Martin enlisted September 21, 1861, and was made a second lieutenant in Co. A of the Fourth Vermont Infantry July 17, 1862. He was a brave soldier, an efficient officer, and "every living man." While his body lies in a nameless grave, he will always live in the hearts of those who knew him.
